

Poor Man's Pay Off

The club will put \$1 for each entry in Events #1 and #2 into the Poor Man's pot. Each person that shoots Events #1 and #2 and wins no money will be eligible to win this pot. A number between 5 and 20 will be drawn and that number will be subtracted from the high combined score of both events. All shooters with that score will share the pot. Numbers will be drawn until we have a winner.

*Lunch will be available
between
Winter Series events*
