

# NORA ROSS CLINIC

Moose Old Skagit Gun Club will be holding a  
Nora Ross Trapshooting Clinic  
Saturday and Sunday September 22 & 23, 2018

Nora Ross is a 34-time ATA All American and a member of the ATA Trap Shooting Hall of Fame. She will be giving a two-day trap shooting clinic at Old Skagit that is limited to 10 shooters per day. Cost of the clinic is \$375 for two days, including a continental breakfast and lunch for both days. Shooters are responsible for providing their own shotguns and ammunition and will also be charged a round fee to cover the cost of targets. New or reloaded (trap) ammunition can be used during the clinic. The gun club will have ammunition available for sale if this is more convenient. Classes start at 9 am both days and it is suggested that you bring a note pad to use during the clinic. A deposit of \$200 is requested to secure your place for the clinic. (This deposit is non-refundable if you cancel unless we can fill your spot.) The balance will be due along with any range fees at the end of the clinic.

*More information from Nora—*

This class is a two-day course. The first day will be singles shooting and the second day is doubles shooting in the morning and handicap in the afternoon. The program will begin each day at 9 am and will usually finish between 5 and 6 pm. The second day finishes earlier than the first. Several times during the day each shooter will be videotaped. It will be played back so that shooters will have an opportunity to watch and analyze their shooting styles.

Each student will shoot approximately 8 rounds per day. The fee for the targets will be paid to the club. The shells and targets are the shooter's responsibility.
